Open Curtain

You are allowed to view your child's classes during our Open Curtain Weeks. Each class is assigned either "Open Curtain Part 1" or "Open Curtain Part 2". You can find out which Open Curtain you are assigned by finding your child's class on our website under class schedules. Your Open Curtain Week will be listed next to your child's class. Please note that many students will be attending make-up classes this next week, so it will appear more crowded than usual.

Open Curtain Part 1—September 11-14

Open Curtain Part 2—September 18-21

Recital Fees

Our love of dance is best expressed in our annual reviews and the time to plan our 2018 review is now! All dancers must pay a fee to be in the recital. The recital fee includes 6 tickets and two programs per dancer and a recital DVD. Extra tickets will be available for purchase in May. **Recital fees are not refundable.** The fee is \$100 on or before October 15th and \$105 after October 15th. Costume fees are separate. The recital will be held at Houston Baptist University June 1-2. Our dress rehearsal will be held May 1-2. **Your credit card will be charged the recital fee unless you tell us you're child is unable to be in the recital before October 15th.**
