## Costume Days

Monday-Thursday (Nov 6-9) have been designated Costume Week. No classes will be held these days. Instead, you and your dancer will come to the studio on the day and time listed below according to the first letter of your dancer's last name. At that time, your dancer will be measured, costume size selected, costume viewed and payment made. You will only be required to pay ½ down with the balance due in January. You will still be able to receive the discounted rate on December and January tuition, as long as your account balance is zero (costume balance excluded). Recital t-shirts will also be available.
