

November Company News 2017

Nov 6-9—Costume Measuring Week.

We will not hold regular classes this week. Company dancers do NOT need to be measured for their ballet costume. Ballet costumes will be available to view in December and fees will be due December 15. If your dancer takes a class outside of company requirements such as contemporary or hip-hop then they will also need to come in and get measured for costumes. Please see general November news for details.

Nov 6-8—Danielle Dominguez is here.

Danielle will be here teaching technique classes and cleaning sessions. Please see the October news for detailed days and times. Elite dancers are required to attend the technique classes.
