## RECITAL INFORMATION

*May 31 & June 1*

The recital line-up is posted on the hallway bulletin board in the studio. Line-ups will not be posted on our website. Changes have been made since they were first posted in November. Please check to make sure:

- Your dancer's name is listed in correct class(es)
- Your dancer's name is spelled correctly
- Your dancer has enough time to change costumes between dances (4 dances or more)

## 5 & 10 YEAR DANCERS

If you have been dancing with us for 5 or 10 consecutive years, please notify the office so that we can honor you at recital. 5-year dancers will need to bring us one of your first dance shoes (preferably ballet or jazz) by April 1st for us to make you an award. The shoe should be brought in a Zip-loc bag, labeled with the dancer's name.

## PICTURE WEEK & COSTUME CHECK

Picture week and costume check will take place February 19-23rd. More information, as well as your dancer's scheduled time, will be announced in the February newsletter. No regular classes will be held this week.

## MISCELLANEOUS

This is a good time of year to check your child's dance shoes and make sure they still fit. If they need new ones, make sure you know what color/style is required for recital before purchasing. Be sure to label all belongings.
