August News

We are very excited for the 2026-2027 dance season! Final Company placements, team schedules and studio room assignments have been posted to our website. Classes begin August 17th. Please note which side your classes start/end. Studios 1-4 are on the studio side. Studios 5&6 are on the store side. If you start class on one side and finish on the other, you will need to be dropped off/picked up accordingly. We ask that all dancers who drive themselves to please park on the studio side, regardless of the side their classes are on. We look forward to seeing you!
